### APUSH Unit One Socratic Seminar Prep

A. Be prepared to discuss each of the topics on the worksheet you completed for the summer assignment. \_\_\_\_ ✓ when done

B. Address each of the topics below, and cite specific evidence from Chapters 1-5 of the *American Colonies* book (including page #s).

1. Discuss the purposes and consequences of the Iroquois mourning wars, and how the formation of the Great League of Peace and Power affected them.

2. What examples are there, during the conquest/colonization of North America, of oppressed or downtrodden peoples rebelling? Were their rebellions successful? What were the consequences?

3. What role did European religious leaders have in the colonization of North America before 1607? Address differences between the Spanish, English, and French. How did Native Americans respond to them?

4. Native Americans lived in harmony with nature, emphasizing sustainability of the environment. It was solely Europeans who plundered resources and wreaked havoc on nature. Agree or disagree.

C. Finally, identify three major trends from this unit. Be prepared to discuss them.
